Even though the apostles had lived with Jesus for three years, been witnesses of His miracles, and saw Him risen from the dead, it was not until they received the outpouring of the Holy Spirit on the Day of Pentecost that they were filled with courage to proclaim the Gospel to those around them.

The Sacrament of Confirmation is the reception of that same Spirit, completing our initiation sending us out into the community to tell others of the Risen Lord.

## Parish Scam Alert: Fraudulent Information Requests

We've been made aware of a scam currently targeting parishes in which an individual sends an email pretending to be someone known to the parish office (e.g., a staff member, priest, or volunteer). The email may request a copy of the parish directory or other lists in order to access personal contact information.

### Important Warning Signs:

The email comes from an address that does not match the official address of the person named.

The message may have urgent or vague language asking for help or access to data.

### What to Do:

Do not respond or provide any information.

Double-check the email address carefully—scammers often use similar-looking domains.

Report the email to your parish office and your IT support or diocesan communications office. Do not click any links or download attachments from suspicious emails. Protecting the privacy of our parishioners is critical. Thank you for staying alert and helping keep our communities safe!

## Stewardship Bulletin Bit

"They all ate and were satisfied. And when the leftover fragments were picked up, they filled twelve wicker baskets." (Luke 9:17)

The story of the Loaves and Fishes shows us that when you share what you have, even if it doesn't seem like that much, miracles can happen! Do not think that your gift is too small or insignificant! Each of us has a role in God's plan; you just need to place your trust in the Lord. Nothing is impossible with God. You just may be the answer to someone else's prayer.
