

# Altar Servers for Resurrection Parish

## PLEASE REMEMBER:

1. Be on time – arrive at least 15 minutes before Mass begins and get vested right away. If you are late, a replacement will be found and that replacement will be the Altar Server for Mass.
2. Check your robe to make sure you are dressed properly and have your cross and cincture (rope) on.
3. Do not chew gum or candy during Mass
4. Act respectfully during Mass. As everyone can see you – your actions could become a distraction. Swinging and playing with the cincture (rope) can ruin it and some servers have broken the crosses by playing with them.
5. *Participate in the prayers and the singing – don't just stand there. Pay attention please.*
6. If you cannot serve on your assigned day, PLEASE call and arrange for someone else to serve for you.
7. Hang up your robe neatly after Mass!

## When you arrive:

1. Please – check off your name on the list and get vested. Put on a robe, cincture (rope around the waist) and cross around your neck. Your cincture should match the colour Father is wearing.
2. Be sure your robe length falls somewhere on the lower half of your leg, closer to your ankle. Remember that the robe can get warm if you are wearing several layers. We suggest a light shirt under the robe, you may leave your sweater or jacket in the Vestry during Mass. Shoes should be comfortable for standing and kneeling. If you need to bring a pair of indoor shoes in the winter, you may also leave your boots in the Vestry.
3. We suggest that long hair is pulled back away from your face.
4. Use the bathroom before Mass.
5. After you have been vested – you may go and assist the Greeters at the doors of the church in welcoming people into the celebration or you may remain in the Vestry. We will all pray as a group 5-10 minutes before Mass begins so do not go too far from the Vestry.

## **GENERAL POSITIONS**

### **IF THERE ARE 3 ALTAR SERVERS**

There will be 2 Candle Bearers and 1 Cross Bearer.

### **IF THERE ARE 2 ALTAR SERVERS**

The candles are placed up beside the lectern before Mass begins and the Cross is carried in procession, while the other Altar Server follows behind.

### **IF THERE IS ONLY 1 ALTAR SERVER**

The candles are placed up beside the lectern before Mass begins and the Cross is carried in procession.

## CROSS BEARER - Responsibilities:

1. Carry Cross at the front of the entrance and exit processions (hold Cross out and slightly upwards). Walk up the stairs and place Cross in the stand on the choir side around the corner ... and then come to your seat—but do not cut across Father.
2. Stand beside Father and hold the Sacramentary for the opening prayer  
– if two priests are present you will still sit beside whoever is presiding.  
- if a deacon or acolyte is present you will sit on the bench at the back  
(NOTE: Bring the book to Father at the end of the Kyrie (Lord have mercy) or at the end of Gloria (Father will also give you a nod as to when to hold it for him). When Father is finished with the opening prayer – place the Sacramentary (book) on your chair or on the bench behind you – NOT on the Altar.
3. When collection begins place the Sacramentary (book) on the left side of the Altar (if an acolyte is present they will set the Altar and you will help them) if there is no acolyte then **place the purificators (cloths with crosses on them) and all six chalices with the large one in front on the cloth (corporal) in the center of the Altar and the other five on the plastic to the right as shown below.**

4. When Father stands to walk down to receive the gifts go down with him. This happens right after the collection so be ready to stand and walk with Father as soon as he starts. Be ready to receive the gifts and step forward when Father holds something out for you to take. Do not return to the Altar until Father does. Whatever you are carrying goes on the Altar (remove any lids and take the lids to the credence table behind the Altar). Remain behind the Altar to help the Candle Bearers and stay there until after communion is finished.
5. *When Father indicates it is time to kneel, kneel in your spot at the same time as the congregation. You should kneel in the tallest position possible, do not let your bottom rest on your heels. Stand up after Father finishes genuflecting following the Consecration of the Precious Blood.*
6. At the Sign of Peace move out of the way of the credence table until the Communion Ministers have used the hand sanitizer. As they are taking their places, go and stand directly under the Cross to prepare to receive Holy Communion. You should not need to use the hand sanitizer.
7. Father will give everyone at the Altar the Host at the same time to hold in their hand.  
**\*\*Wait until Father consumes and then all consume it at the same time....please remember to hold the Host reverently.**

8. Remain standing until communion is over and return to your chair when Father does. **There will be a ciborium on the Altar containing Consecrated Hosts, please leave this ciborium on the Altar for the Eucharistic Ministers to use if they need it.** It will be returned to the Tabernacle by a Eucharistic Minister after communion. Be sure that the book and all vessels are off of the Altar. There should just be one small square of cloth (corporal) and the candle remaining on the Altar.
9. As soon as the final hymn begins go retrieve the Cross – and line up at the bottom of the steps by the pews – and WAIT until Father bows and then process out. The Cross leads everyone.

## **CANDLE BEARERS - Responsibilities:**

1. Light candles just before we begin ... make sure not to tip candles as they are oil.
2. The Candle Bearers will walk side by side a few feet (2 rows) behind the Cross Bearer for both the entrance and the exit processions. Be sure to hold your candles up and away from yourself or anyone else so that no one gets burned.
3. Place the candles into their holders securely and stand together on the side closest to the ambo.
4. *As soon as Father rises to proclaim the Gospel*, (the Alleluia begins) each of you get your candles immediately and goes to the corners of the Altar – facing each other -- and then process with Father to the ambo.
5. After Father has placed the Book of the Gospels on the shelf, place your candles back and return to your seats.
6. When collection begins, one of the Candle Bearers will pick up the Children's Collection basket from the steps and hold it for children to bring their own money forward. Be welcoming and look at the children when they come forward. When it looks like there are no more children coming, you can put the basket down again and return to your seat. **The other Server will help the Cross Bearer, and acolyte or deacon if there is one, place the purificators (cloths with crosses on them) and all six chalices- with the large one in front on the cloth (corporal) in the center of the altar and the other five on the plastic to the right as shown below,**

7. When Father stands to walk down to receive the gifts, go down with him. This happens right after the collection so be ready to stand and walk with Father as soon as he starts. Be ready to receive the gifts. Don't be too far away and be ready to reach for the gifts. One of the Candle Bearers should pick up the children's collection basket and hold it. The

- priest should take the basket from you when giving you either the bread or wine container. *Do not return to the Altar until Father does, go up all at the same time.*
8. Place the bread and decanter near the center of the Altar and take any lids to credence table.
  9. **DO NOT SIT DOWN** Wait at credence table until Father has finished the prayer over the Bread then go to Altar as per step 10.
  10. Right away, one of you will bring the water container without the lid and move beside Father. Hold the water until Father receives it from you. (**DO NOT PLACE IT ON THE ALTAR**). Father will hand you the mostly empty decanter and will also hand you back the water when he is finished with it. After Father gives you the water back, return it to the credence table and then both of you take the bowl of water and the towel and stand beside Father.
  11. Father will turn towards you and wash and dry his hands, and then you can return bowl and towel to the table (make sure to return to table at the same time). **REMAIN STANDING.**
  12. *When Father indicates it is time to kneel, you will kneel in your spot at the same time as the congregation. You should kneel in the tallest position possible, do not let your bottom rest on your heels. You will stand up after Father finishes genuflecting following the Consecration of the Precious Blood. Remember that during this time you should keep your eyes on Father or the Altar as this is a very sacred time.*
  13. After the Sign of Peace go back to your spot until the Communion Ministers finish using the hand sanitizer. When they are moving to their positions, you move to stand directly under the Cross to prepare to receive Holy Communion. You do not need to use the hand sanitizer.
  14. At communion time – Father will give everyone the Host to hold – **DO NOT** consume it until he consumes – then consume all at the same time as the other ministers of Communion. Please remember – this is **NOT** bread – it is now Jesus – **hold the Host reverently in your hands.** During communion there will be a ciborium on the Altar containing Consecrated Hosts, please leave this ciborium on the Altar for the Eucharistic Ministers to use if they need it. It will be returned to the Tabernacle by a Eucharistic Minister after communion
  15. As the final hymn begins – get the candles and line up side by side in front of the Cross Bearer (closer to the Altar)– and **WAIT** until Father bows – and then turn to process out.
